Soothing Heating Pad

For neck and shoulder | With weighted edge

Wellcare soothing heating pad for neck and shoulder provides a warm snugness and takes away the stiffness and tension.

The integrally-formed weighted edge allows weight to be distributed evenly around the heating pad; it not only helps to hold the pad in place for more relaxation, it fits the body contour better.

Wellcare patchwork design, it symbolizes a connection between the past and present, tradition and modern, heritage and innovation; and delivers comfortable warmth in each exquisite stitch. Unwind and recharge amidst life's chaos. Embrace tranquility for a happier journey ahead.

4D DWF technology is utilized in this pad and brings you 3 most important benefits:

- Better breathability
- Uniquely designed holes to provide 360 degrees warmth circulation
- Warmth kept at a constant temperature

4D DWF Technology
Brings you warmth dynamically
